Characteristics of city/region:

Watson's Mill is situated on the shores of the Rideau River, in the former village of Manotick, in the southern sector of the City of Ottawa. Although neighbouring communities are growing rapidly, Manotick is still considered a rural area, with a population of approximately 1,500. Community members fondly refer to Watson's Mill as "The Heart of Manotick". Small town charm prevails in this historic waterfront village.

Vision and Mission:

The Vision of Watson's Mill Manotick Inc.: Watson's Mill is the leading industrial heritage and working water-powered grist mill in Eastern Ontario.

The Mission of Watson's Mill Manotick Inc.: To preserve and operate historic Watson's Mill as a working flour/feed mill and as a social, cultural and educational heritage site for the enjoyment of the community and visitors.
